**ELECTRONICS PACKAGE ADDENDUM**

to

**Vehicle Protection Plus**

**Tech Serv and Selection Vehicle Service Contracts**

**Form Nos. TS-VSC-ORIAS-01 (3/06) and SEL-VSC-ORIAS-01 (3/06)**

You have purchased the **Electronics Package** for your vehicle, which provides coverage for:

Factory installed Global Positioning Systems (GPS)/Navigation equipment hardware and/or software that prevents the component(s) from performing its intended function (does not include programming or updates), rear audio and video game consoles, CD/DVD players and video cassette players, satellite radio equipment, flip-down TV/monitors, and rear audio speakers.

***Important Note: Electronic Package coverage is limited to base units only and does not provide coverage for remote controls, wiring, cassettes and/or game cartridges.***
